ABOUT THE TOURNAMENT

The HomeAid Colorado Drive to Thrive Golf Tournament brings together individuals, companies, and organizations to support HomeAid's mission of building safe, dignified housing for those experiencing homelessness. Proceeds fund construction and renovation of shelters, resource centers, and housing solutions.

THE COURSE

Lakewood Country *Club*

Lakewood, CO · Tom Bendelow/Donald Ross, 1908

A historic private parkland course in Lakewood, often cited as one of only four Donald Ross-designed courses in Colorado. Tom Bendelow set out the original layout in 1908, Donald Ross redesigned it in 1916, and Gil Hanse restored the course in 2017. Known for its Golden Age pedigree, small greens, and strategic bunkering.

THE CAUSE

HomeAid Colorado — projects and programs for *homelessness relief*

The Colorado chapter of HomeAid America, a national 501(c)(3) that partners with the building industry to construct and renovate housing facilities serving people experiencing homelessness. Projects often serve veterans, families, youth, and survivors of domestic violence.
