## ABOUT THE TOURNAMENT

Project To Cure hosts an annual golf and tennis outing at Glen Head Country Club to raise funds for pediatric brain cancer research. Founded in 2004, the organization has raised over \$2 million to support research at Northwell Health.

## THE COURSE

### Glen Head Country Club

Glen Head, NY · Private Club

A private country club in Glen Head, New York, on Long Island's North Shore. Member access is by sponsorship, consistent with regional private club tradition. Available for charity events through member sponsorship of tournament play.

## THE CAUSE

### Pediatric brain cancer research at Feinstein Institutes for Medical Research and Cohen Children's Medical Center at *Northwell Health*

Supporting pediatric brain cancer research conducted at Feinstein Institutes for Medical Research and Cohen Children's Medical Center at Northwell Health, working to advance treatments and cures for children with brain cancer.
